

Damn You Mr. Bush!

a short film with songs & lyrics
by Skizz Cyzyk

(F) Damn you Mr. Bush
There simply (Bb) isn't enough time
To sign all the (G7) petitions and call the representatives
And (C) tell them I oppose your war.

You (F) really ought to know better
Than to (Bb) waste the whole world's time
Like most of the (G7) country, I didn't vote for you either
Yet my (C) future is in your hands

CHORUS:

(Bb) A president ought to serve his people
But (Dm) all you serve is corporate greed and evil
You're a (Bbm) hypocrite when you recite the pledge to the (C) flag

MELODICA SOLO:

F - - E D - - - G - - F E - - D C - - - (repeat an octave lower)

SCROLLING TEXT OVER MELODICA SOLO:

"If Mr. Bush is serious about dragging the planet into World War 3,
he should put his money where his mouth is... Any troops sent into battle
should be comprised of the drafted sons & daughters of the people
who put him in office... starting with his own children."

REPEAT CHORUS

So (F) damn you Mr. Bush
If you (Bb) really want a war
(G7) Suit up and go fight it yourself
Like you (C) didn't do when you were young.
